The DAC asks its participants to read the prospectus carefully, as several noteworthy changes have been made to accommodate COVID-19 requirements.

The DAC is presently open on Fridays and Saturdays from 1 PM to 5 PM and due to Covid 19, only 9 guests can come in at one time, and wearing masks is encouraged while every effort is being made for hygiene on the premises.

Artists 18 years or older residing in Tennessee or Kentucky may enter.

No opening reception is planned.

Art must be delivered to the DAC Gallery, 96 Franklin Street, Clarksville, TN either Friday, July 31, between 1:00 and 5:00 or Saturday, August 1, between 11 A.M. and 4:00.

Social distancing and wearing masks will be observed.

Soon, online sales will be established for the convenience of the art lovers and patrons of our community who have been so supportive of us through the interruptions caused by the pandemic. Please be sure to check our social media accounts for any updates.
